There are numerous small groups who work to rescue pets in need and find them good homes and one such group, the Critter Calvary, held a picnic at Edwin Warner Park.

Guests enjoyed food donated by Kentucky Fried Chicken, as well as a large variety of dishes brought by those who attended. Everyone brought rescued dogs, who greatly enjoyed the petting and treats they received.

As a special surprise, birthday and house warming gifts were presented to Julia Duke, an active member of Critter Calvary, and guests enjoyed a cake with a likeness of Duke's new home.
